

20km optical cable

Duplex (2 fiber strands) fiber optic patch cables are available with LC, SC, ST, FC, MTRJ, SMA, VF45 and other connector types. All in stock at FOSCO.

Our 25G SFP28 20km transceiver delivers extended-reach connectivity for metropolitan area networks. Supporting up to 20km transmission over single-mode fiber at 1310nm wavelength, this module ...

ANC can rewire various types of bare fiber at customized length. This bare fiber optic cable spool is stable quality, fast delivery and price price.

Transmit data over long distances while retaining signal power with fiber optic cables. This innovative material is efficient, safe and ergonomic.

CommScope designs and manufactures a comprehensive line of fiber optic cables--from outside plant to indoor/outdoor and fire-rated indoor fiber cables.

Designed for unparalleled reliability, it ensures smooth and seamless cable deployment, protecting the fiber from unnecessary strain while enhancing performance.

From a wide range of quality brands to affordable picks, these reviews will help you find the best fiber optic cable 20 km, no matter what your budget is.

The Corning SMF-28 Single-Mode Optical Fiber is a G.652 compliant fiber with low attenuation and PMD, empowering networks to achieve longer spans and extended reach.

The Corning Leaf Optical Fiber Spool (20 km) is a high-performance non-zero dispersion-shifted fiber (NZ-DSF) designed for long-haul and metropolitan networks. With an attenuation of $\leq 0.22 \text{ dB/km}$ at ...

For your next Fiber installation, access our variety of fiber optic products such as Media Converters, Patch Cables, System Accessories and Testing Equipment.
