

24-core large pigtail jumper cable

EDGE(TM) Solutions 24-fiber jumpers allow for seamless migration to 100G (Base ...

Our Solid wires have been widely used in various electronics projects in life or work, including building drones, RC planes, video transmitters, flight controllers, LED lighting, Solid Core Hook-up Wires are ...

Mouser offers inventory, pricing, & datasheets for 24 AWG Jumper Wires.

Shop DigiKey's large in-stock selection of Jumper Wires, Pre-Crimped Leads. View inventory, pricing and order now for same day shipping!

MTP#174; cable, a cost-effective alternative to time-consuming field termination, is ...

MTP/MPO 24 Core Trunk Jumper MTP#174;-12 Trunk Cable,F to F,UPC,24F,OM4,LSZH,0.35dB,Type A

Purchase this 24 AWG jumper wire bundle for high quality performance, or stay prepared for longer with our 350-piece jumper wire kit. This jumper wire also conforms to UL and MIL specifications.

EDGE(TM) Solutions 24-fiber jumpers allow for seamless migration to 100G (Base-24) when used in direct connect architectures.

Discover high-quality 24 core fiber optic pigtails and patch cords for FTTH, FTTB, and outdoor networks. Available in SC, LC, FC, and ST connectors with single mode/multi-mode options.

The solid core design makes it easier to insert the wires into breadboard holes and plated through holes on printed circuit boards. This wire kit is perfect for electronic enthusiasts and professionals alike.

MTP#174; cable, a cost-effective alternative to time-consuming field termination, is designed for high-density fiber patching in data centers which need space saving and reduce cable management troubles.

Choose from our selection of jumper wire, including electrical wiring and connecting, test leads and cords, and more. Same and Next Day Delivery.
