

Ceramic ferrule anti-electrocution manufacturer direct supply to five Central Asian countries

We provide high precision custom and special size zirconia ferrules, with OD sizes ranging from .60mm to 3.17mm. The ID sizes range from 80 microns to 1500 microns, in any length from 2.5mm to 22.4mm.

We specialize in the design and manufacture of ceramic ferrules and inserts for the thermal protection of Waste Heat Boilers, as well as nozzles and shapes for specialized applications.

Find precision-crafted zirconia and cordierite ferrules for fiber connectors or stud welding. Click to compare suppliers, prices, and customization options today!

We are a national high-tech enterprise which independently controls the complete production technology of ceramic ferrules, to be the No. 4 globally after Japan's Adamand, ToTo and Kyocera.

Designed for use in a variety of chemical and industrial applications where it is necessary to protect tube sheets, welds, and vulnerable boiler tubes, Blasch ferrules come fully wrapped with thermal paper ...

Leading Manufacturers of Industrial Ceramics Techno Cera "Our products are fired at 1600°C and achieve a hardness of 9 Mohs scale, putting them just below Diamonds in toughness"

Discover high-precision ceramic ferrules from leading manufacturers. Shop durable zirconia, alumina, and cordierite solutions for optical fiber, welding, and industrial applications.

Being a leader in the industry, we are engaged in offering a qualitative range of Cordierite Ceramic Ferrule to our customers. Features: Dimensional accuracy Precisely designed Highly durable

Find your ceramic ferrule easily amongst the 5 products from the leading brands (Milvent Technology, C2G SOUDAGE INNOVATION, T& S Communications, ...) on DirectIndustry, the industry specialist ...

Our ferrules and sleeves are available in standard size and shape configurations. For standard products, please see the following. Kyocera can machine the end face ...

Our ferrules and sleeves are available in standard size and shape configurations. For standard products, please see the following. Kyocera can machine the end face of the ferrule based on the customer's ...
