

Our module size is 192 mm, enabling design of a switchboard, which matches your exact needs. At the same time, it is possible to assemble the distribution switchboard with only a few tools needed. If the ...

View the TI High-voltage power distribution box block diagram, product recommendations, reference designs and start designing.

We have provided high-quality products and services to more than 100 customers in 33 countries, including the markets of Europe, America, Africa and Southeast Asia.

TH35x7,5 symmetrical rail in enclosures with one row of modules and a compact frame in enclosures with two or more rows of modules. They are supplied assembled in all references.

CEX HVJBs are available in various sizes (see table below) with up to 8 incoming and outgoing cables with a maximum 800 mm² cable size. CEX HVJBs are approved to 10Kv for Zone 1 and 15Kv for ...

The letter "x" in the Part Number above should be replaced with the number 7 or 8 depending on the size of enclosure required. 7 refers to an SX7 size enclosure measuring 650 x 950 x 300mm. 8 refers to ...

It is one of the professional manufacturers of high-low voltage switch transmission and distribution equipment and high-low voltage electrical components.

Easy Installation of outgoings The design of the pan assembly facilitates the installation of outgoing devices. **Availability of mixing** Mixing two different types of outgoing devices can be provided in ...

The letter "x" in the Part Number above should be replaced with the number 7 or 8 depending on the size of enclosure required. 7 refers to an SX7 size enclosure ...

The box has a double swing door and busbar connection. It is compact and features a clear cable arrangement with a three-core cable to eliminate the need for long-span crossing.

It is one of the professional manufacturers of high-low voltage switch transmission ...

Our detailed CAD file captures the critical design elements that are unique to European high-voltage applications, including specific clearances, insulation requirements, and material ...
